be yourself... inspire others

ONE YEAR LIMITED WARRANTY
G-CUBE
 G-Cube, Inc.
 Montclair, CA 91763
 www.gggcube.com

getting started

Step 1: Plug the USB connector to the USB port on your desktop or notebook

Step 2: The mouse will automatically be recognized by your computer.
Step 3: If you can't find or see your cursor on the screen, follow the steps below:

1. Unplug and re-plug the mouse.
2. Test the device on another USB port or computer.
3. Some surfaces may "trick" the optical sensor, such as reflective surfaces like glass or mirrors. The optical sensor should perform well on all other surfaces.

introduction

Big name electronic and computer manufacturers are aimed at the average person, the generic "shopper," giving no thought to background, sex, hobbies, interest or trends.

These same big manufacturers are completely ignoring the fact that **Women are the main shopper**, doing 90% of the purchasing in the family AND usually avoid electronic and computer stores all together.

Although **smart** and **very confident**, Woman find themselves intimidated by the products because they do not cater to her style, hobbies or resemble anything semi-fashionable.

G-Cube - Girls, Guys, Gadgets, intends to break the mold.

A4 Tech the proud manufacturer of G-Cube recognizes that the computer peripheral market in particular and the electronic category as a whole, has traditionally catered to the masses which results in products that leaves consumers with little choice in the aesthetics and totally expressionless.

G-Cube is designed with YOU In Mind. G-Cube wants you to Express Who You Are at home, at school, at work, the local coffee shop, the PTA or at your next national sales meeting.

G-Cube wants you to Be Yourself...and...Inspire Others!

know your product

1 Double Function Scroll Wheel

Scroll Wheel - A more convenient way to scroll up and down rather than to click the scroll bar on the side of the window.

Wheel Button - By default, the wheel button performs the auto-scroll function (optional). To set the wheel button to a different function, first download the driver from our website at support.gggcube.com. Once you've installed the software, you can program the wheel button from a list of 58 different commands.

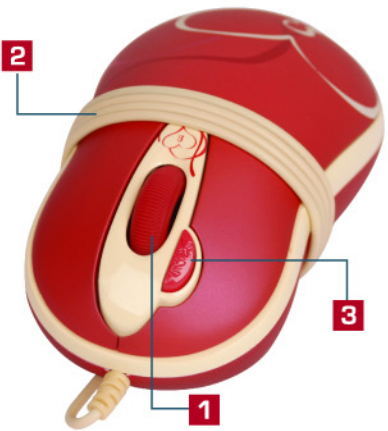

2 Easy Roll-Up Cord

Tangle-Free Solution: Easy As 1, 2, 3

3 Double Click Button

Just one click on "2X Button" directly opens files and programs. Saves time and improves efficiency.

THIS DEVICE COMPLIES WITH PART 15 OF THE FCC RULES. OPERATION IS SUBJECT TO THE FOLLOWING TWO CONDITIONS: (1) THIS DEVICE MAY NOT CAUSE HARMFUL INTERFERENCE AND (2) THIS DEVICE MUST ACCEPT ANY INTERFERENCE RECEIVED, INCLUDING INTERFERENCE THAT MAY CAUSE UNDESIRABLE OPERATION.

Federal Communications Commission Requirements
 The equipment has been tested and found to comply with the limits for Class B Digital Device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instruction, may cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

THE CHANGES OR MODIFICATIONS NOT EXPRESSLY APPROVED BY THE PARTY RESPONSIBLE FOR COMPLIANCE COULD VOID THE USER'S AUTHORITY TO OPERATE THE EQUIPMENT.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
 (1) This device may not cause harmful interference, and receiver.
 (2) This device must accept any interference received, including interference that may cause undesired operation.
